RE: Hoover Power Allocation Act of 2011 - H.R. 470 (Heck)

Dear Representative Napolitano,

On behalf of the San Gabriel Valley Legislative Coalition of Chambers of Commerce members, thank you for your leadership in being original sponsor last and co-sponsor this year of H.R. 470, The Hoover Power Allocation Act of 2011, legislation that will authorize a new 50-year contract for hydropower generated at Hoover Dam.

This thoughtful and timely legislation will provide certainty for the Hoover Dam contractors and the ratepayers they serve in Arizona, California and Nevada. It will also help avoid litigation over the distribution of power and facilitate needed improvements to the transmission system.

The San Gabriel Valley Legislative Coalition of Chambers applauds your leadership and efforts to secure passage of the Hoover Power Allocation Act of 2011.

Sincerely,

Arun D. Tolia, Chair
San Gabriel Valley Legislative Coalition, Chambers of Commerce
