Extra! Extra! Read All About It! Glenn and Amy Putnam Named Citizen Of The Year

In late December of last year, while Glenn and Amy Putnam were enjoying a movie in the home of Jay Whitcraft, the ambience of the evening was suddenly interrupted by Chamber President Matt Krantz, Treasurer Susan Henderson and Executive Director Bill Coburn. They came to make the formal, surprise announcement that Glenn and Amy had been chosen as Sierra Madre's Citizens Of The Year. (Photo left)

The Putnams have devoted years of service to the Sierra Madre community through volunteerism both individually and as a team in numerous activities including the SM Historical Preservation Society, (at right, Glenn and Amy make a presentation for the Historical Society), SM Library Trustee, the Garden Club, the Creative Arts

Group, Wistaria Vine Docent, Senior Community Commission and much more!

CONGRATULATIONS GLENN AND AMY AND THANKS FOR ALL YOU DO!

**Amy and Glenn Putnam Named
Sierra Madre's 2010 Citizens of the Year**

Glenn and Amy Putnam have been named Sierra Madre's 2010 Citizens of the Year by the Sierra Madre Chamber of Commerce.

Glenn Putnam has been a member and Board member of the Sierra Madre Historical Preservation Society for more than five years, and is currently the marketing director for the organization. For more than ten years, he has been a vine docent and assisted with bus coordination at the Wistaria Festival. He was named a Library Trustee in 2010, a position which actually caused him to resign from the Board of the SMHPS to avoid conflict of interest. He is past president of the Sierra Madre Garden Club (2003 - 2008), and has been active with Creative Arts Group, serving as a docent at the Home and Garden Tour and helping to staff their annual Flea Market. In addition to all of these Sierra Madre volunteer efforts, he is also involved with the Tournament of Roses serving for more than ten years as one of their White Coat volunteers.

His wife Amy is also active with the Sierra Madre Historical Preservation Society. She has been a member and Board member for more than five years, and is currently serving as treasurer. She assisted with recruiting volunteers for the Society's booths at the Wistaria Festival, the Art Fair, and the Fourth of July festivities in 2010. She was appointed to the Senior Community Commission in 2010, and has also served as a Wistaria Vine docent for more than 10

In addition to serving as president of the Civic Club in 2009/2010, she served as Parliamentarian in 2003-2004, Treasurer in 2004-2006, and Education Awards Chair from 2006-2008. In the past, she has served as a docent on the Garden Tour for Creative Arts and filled a variety of leadership roles with the Friends of the Library, as president in 1997 and 1998 and on the Board for ten years in various capacities. She also served as chair of the Friends' annual Wine Tasting for two years (1997 & 1998) and sat on the Wine Tasting Committee for 10 years. In addition, she has

volunteered at the Chamber, and in 2005 even won the Chamber's Chili Cook-off.

In addition to all she does in Sierra Madre, she is newly on the Board of Los Voluntarios, the volunteer group which supports the LA County Arboretum. She's in charge of coordinating the volunteers who staff the Visitors' Services Office.

Friends of the Putnams who were viewing a movie at the home of Jay Whitcraft broke into applause when the announcement was made. Said Amy "I do...feel...awful because there are so many more qualified and dedicated and competent volunteers than we are. It's rather embarrassing because we just do what we do..."
