Strengthen Neighborhood Schools

As an Adjunct Faculty member at Pasadena City College, I know the importance of strong neighborhood schools. Sierra Madre should be more proactive in supporting and working collaboratively with our neighborhood schools. I will work cooperatively with the Pasadena Unified School District to make sure Sierra Madre receives its fair share of resources. I believe we all benefit when we have good quality neighborhood schools.

I am proud to be endorsed by the organization representing over 1,000 PUSD teachers.

I am also proud to be endorsed by Pasadena Unified School District and Pasadena City College Board leaders:

Mikala Rahn, PhD

Pasadena Unified School District Board Member and Sierra Madre Resident

Tyron Hampton
